

DAIRY BRIGHT

DuBois

Concentrated Acidic CIP Detergent

DESCRIPTION:

Dairy Bright is a concentrated acidic C.I.P bio-degradable detergent for use in fermenters, beer and milk storage vessels and processing equipment. Dairy Bright is a concentrated acid blend formulated for effective performance at low use concentrations, resulting in reduced cost-in-use. Dairy Bright has a high detergency level enabling it to wet and remove proteaceous soils quickly and effectively.

KEY PROPERTIES:

- A carefully selected blend of bio-degradable surfactants enables the removal of a broad range of soil types.
- Works at low "in use" concentrations to reduce cleaning costs.
- Highly effective against beer and milk stones.
- At low concentrations may be used as a CIP sanitising solution.
- Dairy Bright does not contain genetically modified organisms.
- Dairy Bright does not contain allergens.
