

ECO CHLOR

DuBois

Multi-Purpose Disinfectant

DESCRIPTION:

Eco Chlor is 12.5% Sodium hypochlorite a straw-coloured liquid designed to achieve superior disinfecting in all cleaning and sanitation applications. When used in laundry applications it will improve whiteness, brighten coloured fabrics and eliminate yellowing of resin treated fabrics.

KEY PROPERTIES:

- **Rapid Action:** Delivers fast and efficient performance for immediate results.
- **Broad-Spectrum Efficacy:** Effectively targets a wide range of pathogenic bacteria, food spoilage organisms, fungi, and algae.
- **Versatile Usage:** Suitable for both Clean-in-Place (CIP) and Clean-out-of-Place (COP) applications. Ideal for use on floors, drains, and cutting boards in meat processing environments, ensuring thorough sanitation.
- **Cost-Effective Usage:** Requires low concentrations for optimal performance, offering excellent value and reduced operational costs.

TECHNICAL DATA:

TEST	RESULT
Appearance	Pale yellow
Odour	Chlorine
Specific Gravity	1.15 - 1.25
pH (1% solution)	11.5 - 13.0

MATERIAL COMPATIBILITY:

- Eco Chlor does not contain genetically modified organisms
- Eco Chlor does not contain allergens.

RECOMMENDED USE:

Foot bath - Dilute with cold water 400-1000 ppm, or 0.3-0.75% v/v.

General Sanitation - Dilute with cold water 200- 600 ppm, or 0.15- 0.6% v/v.

May be used as an additive for water disinfection in fruit and vegetable washing. Please contact DuBois representative for technical assistance.

For all cleaning and sanitation applications please rinse off all chemical residues with a sufficient volume of potable water before commencing production.

SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product. Keep away from extreme temperatures.

DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

PRECAUTIONS:

KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860.
