

# NEUQUAT RTU

**DuBois**

## Ready To Use Disinfectant/Sanitiser

### DESCRIPTION:

Ready-to-use disinfectant/sanitiser based on a 4th-generation quaternary ammonium compound system, providing broad-spectrum antimicrobial activity at 200 ppm active quat. Suitable for:

- Hard surface disinfection
- Food-contact and non-food-contact surfaces
- Food service, food process, hospitals, commercial cleaning, industrial hygiene, and general sanitation.

### Microbiological Performance

Effective against common gram-positive and gram-negative bacteria and selected yeasts and moulds when used as directed at 200 ppm active quat.

### KEY PROPERTIES:

- RTU – no dilution required
- Product is a no rinse formula, so can be left on food contact surfaces
- Effective against a broad range of bacteria and viruses
- Non-corrosive
- Low odour, easy to apply

### TECHNICAL DATA:

TEST	RESULT
Appearance	Clear liquid
Odour	Mild
Specific Gravity	~1.00
pH (RTU)	6.0 - 8.5
Active Quat Level	200 ppm

### MATERIAL COMPATIBILITY:

Compatible with most plastics, stainless steel, tiles, vinyl, and painted surfaces. Test on sensitive materials before use.

### RECOMMENDED USE:

- Apply directly to clean surface using spray.
- Ensure full coverage
- Contact time: 5–10 minutes (or as validated)
- Allow to air-dry or wipe off excess
- For food-contact surfaces, rinse only if required by site procedure

### SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product. Store in a cool, dry place away from direct sunlight. Keep container closed when not in use.

### DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

### PRECAUTIONS:

#### KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860.
