

POWER AUTO DISH WASH

DuBois

Spotless Automatic Machine Dishwashing Detergent

DESCRIPTION:

Power Auto Dish Wash is an economical chlorinated liquid machine dishwashing detergent suitable for use in soft or hard water conditions. Exhibits all the benefits and strength usually associated with concentrated powders together with all the advantages of liquid, providing thoroughly clean dishes, glasses, and cutlery right throughout the working day.

KEY PROPERTIES:

- A carefully selected blend of alkalis and surfactants enables the removal of a broad range of soil types.
- Works at very low "in use" concentrations reducing cleaning costs.
- Specially formulated to work in hard water without losing detergent efficiency.
- Contains potassium hydroxide allowing it to emulsify fats and oils readily.
- Power Auto Dish Wash does not contain genetically modified organisms
- Power Auto Dish Wash Plus does not contain allergens.

APPLICATION:

Power Auto Dish Wash should be dispensed by using automatic pumping equipment commonly found on commercial dishwashers or as aftermarket accessories.

It is not recommended to hand dose the product into a dishwasher as this will lead to poor product performance or damage to items being washed. The product is also suitable for use in spray machines such as tray or crate washers.

MATERIAL COMPATIBILITY:

Do NOT use on aluminium, tin, brass, pilot lights or painted surfaces as damage may occur.

TECHNICAL DATA:

TEST	RESULT
Appearance	Clear liquid
Odour	Slight smell of chlorine
Specific Gravity	1.1

RECOMMENDED USE:

Use neat in the dishwasher. For the best results we recommend the product be used in conjunction with Power Rinse Aid.

SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product.

Store in a cool place. Do not store in direct sunlight. Keep drum securely closed with cap provided.

DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860
