

# QUEL BUCKET & BRUSH

**DuBois**

## *Powdered, Alkaline, Manual Detergent*

### DESCRIPTION:

Bucket and Brush, a completely soluble granular detergent, is a premium formulation designed for manual cleaning of food and beverage equipment. Bucket and Brush's blend of wetting agents and complex polyphosphates are specifically formulated to provide an excellent manual cleaner, even in hard water. It is an economical product because it is a concentrate designed for use at low concentrations. Bucket and Brush solutions help keep equipment surfaces film-free, reducing the need for acid cleaning. A high level of stable foam gives Bucket and Brush solutions longer life by providing greater soil, fat and grease tolerance.

### KEY PROPERTIES:

- Concentrated product, economical to use
- Mild alkaline detergent – safe for manual cleaning Contains synthetic surfactants
- Contains sequestrants
- Non-Corrosive detergents
- Free rinsing eliminates water spotting

### TECHNICAL DATA:

Form:	Cream colored powder
Phosphorous as P (%):	8.8
pH (1% Solution):	10.9

### MATERIAL COMPATIBILITY

Bucket and Brush is suitable for use on all metals commonly found in Food and Beverage plants.

### RECOMMENDED USE:

#### Brush Cleaning:

1. Rinse all loose soil from the equipment with warm water
2. Dissolve product in warm water, 43°C, at 2.6 g/L to 6.0 g/L. When tenacious soils are a problem, a short soaking may be required before brushing.
3. Brush Equipment thoroughly.
4. Rinse with warm potable water.

**NOTE:** Try not to overuse. The real economy in using Bucket and Brush cleaner comes from its effectiveness at low concentrations.

### Spray Cleaning:

Bucket and Brush cleaner is excellent for use with high pressure spray cleaning. Use at 1.4 g/L to 2.5 g/L through a high-pressure spray system.

### SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product. General indoor storage at room temperature is recommended.

### DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

### PRECAUTIONS:

#### KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860
