

RED GEAR

Industrial Cleaner & Degreaser

DESCRIPTION:

Red Gear is a bio-degradable, non-flammable, mild, industrial water-based cleaning solvent and is multipurpose cleaner. Red Gear is bio-degradable and non-flammable.

KEY PROPERTIES:

- Biodegradable: Environmentally friendly and safe for disposal.
- Non-flammable: Provides enhanced safety in industrial settings.
- Water-based formula: Reduces environmental impact compared to solvent-based cleaners.
- Mild and gentle: Suitable for various surfaces without causing damage.
- Industrial-grade performance: Effectively tackles tough cleaning tasks.
- Multipurpose cleaner: Versatile solution for a wide range of applications.

APPLICATION:

General cleaning, floor polish stripping, cleaning walls, floors (including concrete floors) vinyl etc, engine, engine bays and pressure washing machines. It is also particularly useful for removing both vegetable oils and animal fats in a commercial kitchen setting.

MATERIAL COMPATIBILITY:

Red Gear is safe at the recommended use concentrations on copper, iron, nickel, steel, stainless steel, and galvanized metal. Pre-test on aluminium if extended contact (5 minutes or more) is expected, as etching may occur on some alloys. Red Gear Cleaner is also safe on plastics, rubber, and painted surfaces when used as directed. It is safe on floor sealers and resilient flooring.

TECHNICAL DATA:

TEST	RESULT
Form	Liquid
Colour	Red
Odour	N/A
Specific Gravity (25 °C)	1
Storage temperature	Room Temperature
Active ingredient material compatibility	Alkaline salt and solvents
Hazchem Code	2X
Positions schedule	S5
UN	1760

RECOMMENDED USE:

Use Instructions:

- Pressure washing machines and general cleaning: 1 part to 50 parts water
- Floor polish degreasing & stripping engines and engine bay cleaning: 1 part to 5 parts water
- Walls, floors, and vinyl etc: 1 part to 30 parts water
- Removal of animal and vegetable oils; 1 part to 10 parts water or according to soil level.

SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product. If frozen, thaw and mix to make usable.

DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

PRECAUTIONS:

KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860
