

SWIFT AUTO RINSE AID

DuBois

Heavy-duty Dishwasher Rinse Aid Concentrate

DESCRIPTION:

Swift Auto Rinse Aid is a specifically formulated dishwasher additive that accelerates the drying process in your dishwasher. When used in conjunction with DuBois dishwashing detergents, this powerful concentrate delivers streak-free, spot-free drying for dishes, cutlery, and glassware. For best results, a minimum rinse temperature of 82°C is recommended.

KEY PROPERTIES:

- Eliminates all spotting and streaking on porcelain and glasses.
- Rapidly reduces the surface tension of the water allowing it to break quickly and sheet off evenly.
- Metals are spotless and free of film.
- Plastics dry in seconds.
- Enables fast efficient drying and excellent presentation.
- Eliminates the need for hand drying.
- Dishes dry odour free.
- During peak dishwashing periods Swift Rinse Aid ensures faster processing in the washing area.
- Injected into the rinse water at concentrations as low as 50ppm provides greater efficiency at a reduced cost.
- Minimises scale build-up.

TECHNICAL DATA:

TEST	RESULT
Appearance	Purple/Blue liquid
Active Ingredient	Solvents

APPLICATION AND RECOMMENDED USE:

Swift Auto Rinse Aid may be used either through an automatic dosing system which is attached to the dishwasher, or it may be used manually to fill the rinse aid reservoir sometimes found on commercial machines.

For use in dishwashers with automatic dispensing. When using automatically place the pick up tube in the bottle, ensuring that the tube is submerged fully in the liquid.

Swift may also be used in domestic dishwashers, please follow the machine manufacturer's instructions.

SAFE HANDLING & STORAGE CONDITIONS:

Store in a cool place. Do not store in direct sunlight. Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product. If frozen, thaw and mix to make usable.

DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

PRECAUTIONS:

KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860
