

TREO® RTU GP CLEANER

DuBois

Mild, Multi-purpose Ready To Use (RTU) General Purpose Cleaner

DESCRIPTION:

Treo® Ready to Use (RTU) General Purpose Cleaner is a multi-purpose, nonflammable mild cleaner, ideal for cleaning a wide variety of light to heavy industrial soils. It is used in machine shops, custom powder coaters, heavy equipment manufacturers, food plants, fuel stations, office buildings, and in homes. Treo® RTU General Purpose Cleaner is an effective and versatile solution.

KEY PROPERTIES:

- Mild pH for improved user safety and wastewater discharge
- Effective cleaner with minimal environmental impact
- Rapidly penetrates tough soils
- Silicone free

MATERIAL COMPATIBILITY:

Treo® Ready to Use General Purpose Cleaner is safe on copper, iron, nickel, steel, stainless steel, and galvanized metal. Pre-test on aluminum. If extended contact (5 minutes or more) is expected, as minor etching may occur on some alloys. Treo® Ready to Use General Purpose Cleaner is also safe on plastics, rubber, and painted surfaces when used as directed. It is safe on floor sealers and resilient flooring.

RECOMMENDED USE:

Treo® Ready to Use General Purpose Cleaner is suitable for use in all industries.

SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product. If frozen, thaw and mix to make usable.

DISPOSAL:

Any disposal of this product should follow all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

PRECAUTIONS:

KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860.
