

TURBO AUTO GLASS WASH

DuBois

Automatic Glass Washer Concentrate

DESCRIPTION:

Turbo Auto Glass Wash is a concentrated alkaline cleaner formulated for use in automatic glass-washing machines. It provides excellent cleaning and degreasing performance on glassware, leaving them clean and streak-free. The formulation is low-foaming, fast-rinsing, and suitable for automatic dosing systems.

KEY PROPERTIES:

- Concentrated alkaline formula for powerful cleaning and degreasing.
- Removes lipstick and other tenacious soiling with ease.
- Low-foaming design ensures smooth operation in automatic glass-washing machines.
- Fast-rinsing action reduces water usage and speeds up cleaning cycles.
- Compatible with automatic dosing systems for precise and easy application.
- Leaves glassware clean and streak-free for a professional finish.
- Optimised for commercial and industrial use, ensuring consistent quality results.
- Cost-effective solution thanks to its concentrated formulation.
- Ideal for hygienic environments such as foodservice and hospitality.

RECOMMENDED USE:

- Suitable for use with automatic dosing systems.
- Rinse thoroughly with potable water.

TECHNICAL DATA:

TEST	RESULT
Appearance	Clear colourless liquid
Odour	Mild solvent
pH (neat)	>12
Specific Gravity (25°C)	1.08 – 1.12
Solubility	Completely soluble in water
Foam	Low foaming

SAFE HANDLING & STORAGE CONDITIONS:

Before handling, the Safety Data Sheet (SDS) should be read and understood by all personnel in contact with this product.

- Store in tightly sealed containers away from acids.
- Avoid contact with aluminium and soft metals.
- Keep away from direct sunlight and freezing.
- Recommended storage temperature: 5 – 35 °C.

DISPOSAL:

Any disposal of this product should be in compliance with all federal, state, and local regulations. Please refer to the Safety Data Sheet (SDS) for instructions regarding proper disposal of this product.

PRECAUTIONS:

KEEP OUT OF THE REACH OF CHILDREN.

Please refer to the label and Safety Data Sheet (SDS) for all warnings, recommendations for safety equipment, and other regulatory information. Copies of the SDS can be ordered by calling +61 3 9768 3860.
